TERA, OAPB, WEST

The following clubs have indicated interest in hosting 2018 SC FW:

SCSC

\*PLS is not able to bid as their facility will not be available during that time due to a deck refurbish. There were no other teams that bid on SC FW,

**Background:**

To provide a more consistent athlete experience and elevate the FW, the LSC is offering financial support for expenses and a flat fee that minimizes the risk of the host club. A formal process of award has not been fully developed.

WEST hosted 2013 and 2015.
