

Motion 2402FC01 - Adjust "A" Medal price to clubs to \$0.75

To encourage host clubs and clubs that do not host to purchase "A" medals to recognize when athletes achieve "A" times, Pacific would like to subsidize the purchase of "A" medals by offering an even further discounted rate from \$1.00 to \$0.75. Receiving a Pacific "A" medal can be rewarding and motivating for younger athletes and Pacific has 10,000 that were purchased in 2020.
