### **Action Items Completed: (since previous BOD report)**

- Hosted a successful Nevada State Short Course Championships meet November 8-11, 2014, and two age group open meets.
- Approved 2014-2015 Zone-4 budget.
- Selected Zone-4 All-star team and continued preparations for travel to Santa Clara.
- Conducted several basic and advanced officials clinics. Interest and training of Administrative Officials is finally gaining momentum.
- Gave heads-up to meet directors and hosts about upcoming earlier deadlines for meet sanctioning process.

### **Action Items In-Progress / Pending:**

- 2015-2016 Meet Schedule under discussion for approval at March meeting.
- Continuing to explore adding a Senior walk-on meet immediately following Nevada State High School Championships.
- Ongoing discussion about critical pool space losses in the Reno area.

### **Announcements:**

- Reno Aquatic Club hosted a successful showing of the documentary film Touch The Wall at a local Reno Theater, with over 200 seats sold.

### **Questions for the Board / Larger Group:**

- Does Pacific Swimming cover the costs of background checks for Administrative Officials as it does for deck officials?
- Should Pacific Swimming reconsider its co-pay policy to improve all-star team recruitment for extraordinarily expensive venues such as Hawaii or Mexico? Consider a flat cap on co-pay amounts (\$500? \$600?) above which Pacific will cover the excess? This might help keep the emphasis more on recruiting our elite athletes, and less so on recruiting financially elite families.

**Other:** None.
